# DISASTER ON THE HIGH SEAS

**HELLO!**  
piggY

*"The Sea was very rough,"  
exclaimed Araminta.  
"Fairy is awesome,"  
enthused Texcavy*

**AVERTED**

## CUCUMBER GOES OVERBOARD

*Araminta, Montmorency Mouse, Fairy, with Mr Bear at the helm, kept as cool as cucumbers as their treasure was swept overboard by a giant wave. 'The sea was really rough,' said Araminta, 'Mr Bear did really well to hold her steady.' 'I didn't like it,' said a breathless Fairy.*

**THE HERO  
Montmorency  
Mouse poses  
with the  
rescued  
Cucumber**

***'The Fairy Ferry', above, at the recent boat naming ceremony and all round extravaganza. Montmorency Mouse took the initiative as high seas swept the snack overboard, and without thought of personal safety - rescued it. Much to Fairy's relief. 'I'd taken the cucumber along so I could enjoy a little invigorating snack. I have to think about my tummy.'***

***'Mr. Bear was a stalwart captain and Montmorency saved the cucumber!' exclaimed Bookfan. 'I'm glad the gang made it home safely!' gushed a relieved friend, Vicky. 'Thanks Montmorency for saving the cucumber!' squeeed Fairy Follower Bytxlaura!***

***It is rumoured that Mr Montmorency Mouse is dating the beautiful fashion iconomouse, Araminta.***

***A close friend said 'Araminta thinks Montmorency is simply the cats whiskers and the buzzy bees knees.'***

# Land Ahoy!

**What a relief for Fairy and the crew**

**HELLO!**  
Piggy

***'Although I enjoyed our tempestuous adventure, it will be good to get my paws back on dry land,' commented Fairy, as she hurriedly disembarked.***

## VALENTINE'S DAY SPECIAL

*It appears Araminta and Mr Mouse are getting along very well. At their first dinner date, the lights were low and the music was playing softly. What could possibly go wrong?*

*Errr . . . Carry on you two. You won't even know I'm here.*

*If you don't want that, I'll have it . . . Shame to let it go to waste.*

*It's nice here, isn't it?  
Nom, nom, nom, burp, pardon!*

*You don't get very much salad for your money here, do you?*

***Waiter! Can they have seconds please?***

***Nom, nom, hic . . . Delicious! You would have liked it.***

***Go on then Mr Mouse. Give her the chocs!***

***Oh thank you, Montmorency. I have had such an interesting evening!!!***

# FAIRY - THE TRUE STORY

**HELLO!**  
piggy

## ***What *THEY* didn't want you to read.***

**The down-to-earth diva on fame, charitable works and her battle with salad addiction.**

***Thanks for granting us an interview Fairy  
- especially for HELLO! PIGGY readers.***

***The first thing that I know readers all round the world  
will want to know is, how much do you think fame has  
changed you?***

***Humm, I am famous then am I? I can't really see it my-  
self. Can you speak up a bit too please?***

***It is well known that you support many Piggy Charities.  
Your Pignics for those less fortunate are legendary.***

***I have huge piggy respect for all the good works Guinea  
Pig Rescue Charities carry out. I hand over a share of  
my pocket money every week and the profits from this  
issue of HELLO! PIGGY will be donated to Thistle Cavies  
Rescue - and other guinea pig charities round the world.  
Fairy Fan, LynnK, said 'Looks like Fairy is a good eater.'***

***Do you enjoy your food?***

***Err . . . Nomm, nomm, nomm . . . Err . . . nomm, well I,  
nomm, when I have finished, nom, nom, my lunch, nom,  
nom . . . burp - pardon!***

***CavieCuddler wants to know if you have signed a mer-  
chandising deal with Disney yet?***

***I already have my own range of cards, books, badges  
and personalised items, as well as a very active Fan  
Club - I answer every letter personally from my own lit-  
tle Netbook. I have indeed been in talks with Disney but  
I don't think they are quite big enough yet.***

***Do you have a name for Mr Bear's boat yet? You have  
had several suggestions, including 'The Fairy Ferry'.***

***Yes, you can see a photo of me taken at the official boat  
naming ceremony and knees-up, on Page 4.***

***Thank you, Fairy for being so candid and  
revealing your quintessential Fairyness.***

**BAKING WITH FAIRY**  
*These fine Fairy  
Cakes are just the job  
for when unexpected  
hungry guests turn up  
on your doorstep.*

***Fairy shows Araminta  
how to mix everything  
up just right. Young  
Montmorency keeps a  
somewhat bemused eye  
on proceedings from a  
safe distance, before  
donning his rubber  
gloves to help with the  
washing up.  
Don't miss - 'Fairy's  
Fancy Salads' in next  
month's HELLO! PIGGY.***

## **BAKING WITH FAIRY THE ICING ON THE CAKE**

***‘The best bit is  
licking the bowl out  
while the cakes are  
baking,’ said Fairy,  
in between  
slurpy licks.***

***‘They turned out very well, all things considered,’ commented Fairy.***

***Fairy calls for extra cakes for her guest Mr Montmorency Mouse.***

***'He was nice but he ate a lot,' commented Fairy afterwards.***

## **TEA FOR TWO**

***Montmorency takes afternoon tea with Fairy. Mr Bear is in charge of the teapot.***

***Fairy asked Montmorency how his leg was after his recent accident: 'It was a trap, I just didn't see it - a set up!' replied Monty, 'But don't worry, my bandage is coming off soon and I will be running about again, so you'd better watch out!'***

## FAIRY AND ARAMINTA HAVE A GIRLS NIGHT IN

*We caught up with the girls a couple of weeks ago taking some time out from their busy schedule.*

*'It is good to be able to spend some time with my girlfriends,' said Fairy. 'Araminta is an amazing mouse. She knows so much about books and music and everything.'*

*It is well known that Fairy likes nothing better than lounging around listening to the radio.*

*Fairy, left, consults her 'little red book' (in Braille of course) to arrange a blind date for Minty . . .*

*And we know now, of course, just who that lucky chap was!*

# MEET THE PARENTS HELLO! PIGGY SPECIAL

*The Rt Hon Plantaganet and Primrose Big-Mouse were delighted to be introduced to Araminta's latest beau Montmorency Mouse, at a recent 'at home' held in their tasteful drawing room at the sumptuous and well appointed Plantaganet House, in London. However, the conversation was hogged by a mystery gate-crasher who kept demanding extra Salad.*

*Primrose looked splendid in her up to the minute fashionable gingham check pinafore dress, toning red knitted booties and polka dot top. Plantagenet sported a hand knitted jersey and gingham check trews.*

# MEET THE PARENTS HELLO! PIGGY SPECIAL

*Plantaganet and Primrose Big-Mouse are well known long noses amongst the capital's mouserrati. Their own whirlwind romance united two of the city's oldest and most well respected mouse families. A new round of frenzied romantic speculations have involved their eldest daughter Araminta, who recently came of age. It is understood Montmor-ency may have a 'big question' to ask of Plan-taganet! Is that the sound of distant wedding bells we hear? This is all very fascinat-ing, opined Fairy - but when do we eat?*

## MEET THE PARENTS

**HELLO!**  
piggy

*Fairy has a quiet word with Plantaganet regarding Monty's future, left. While below, she thanks them for the scrumptious cakes. 'They were divine, Primrose, did you bake them yourself,' she enquired, 'No, my dear, they were delivered fresh this morning from Harrods.'*

**EXCLUSIVE family portrait - especially for readers of HELLO PIGGY!**

***Fairy and her very close friend, Mr Bear, get to grips with the snow. Wrapped up warm against the cold winter weather, Mr Bear helps Fairy to build their very own snowman. A snowball fight rounds off the afternoon! Guess who WON?***

**WINTER  
WONDERLAND  
'It's snow good'!**

# ICONOMOUSE

Meet the REAL Araminta Mouse

**HELLO!**  
piggY

***You are from London, Araminta. Has it been difficult to adapt to life in the country?***

***It has! Apart from some popping and zooming, it is a much slower pace of life up here***

***You are always so fashionably dressed. Has Fairy helped you in choosing your wonderful outfits for your recent dates with Montmorency Mouse?***

***She has been amazing. She's such a stylish piggy***

***You are a keen sailor. Do you have any plans to take part the forthcoming Olympigs?***

***No. But I know someone who has! Besides, I have much more 'interesting' things happening this summer!***

***Are you going to tell us if those plans include a certain Montmorency Mouse?***

***That is sheer speculation. You will have to wait and see!***

# FAIRY'S FAVOURITES

## HAY, HAY & MORE HAY!

# HOME FROM HOSPITAL

## MONTMORENCY MOUSE IS HOME

*Recovering from a nasty 'leg in trap' injury, Montmorency is glad to be home from his recent stay in hospital. 'The food was awful, cheese, cheese and more cheese,' grumbled Monty. 'At least Fairy called in to visit, I don't know how I would have coped without her.'*

*After a tasty supper and a romp round the garden to try and tire out her little guests - it is time to settle them down for a good nights sleep. Some hope!*

*Araminta wants Fairy to read her a bedtime story and Montmorency doesn't feel even a little tiny bit tired. And besides, the night is still young!*

*Time for our bedtime story*

## SLEEPOVER!

*Right then you two - enough is enough. When I was a tiny little piglet I was as good as gold - never any trouble. People used to come around just to see how well behaved I was. Not like you two. I have a good mind to get out the family photograph albums! Time for sleeps.*

## SLEEPOVER!

*Mirror, mirror on the wall, who is the Fairy-est of them all?*

*Now where did I put my PJ's?*

*Better be careful to check that the candle is out before we go to sleep.*

*And there we are at long last.  
All safely tucked-up in beddy-byes.  
A perfect end to a perfect day.  
There is never a dull moment with  
Fairy and her feisty friends.*

**Good night . . . zzzZZZ**
